Eco Workshops 2019 - Kimbriki Eco House & Garden

Composting and Worms[^]

- get food scraps out of landfill
- make your own healthy soils
- everything you could possibly want to know about how to successfully run a compost bin and a worm farm
- problem solving
- different methods for different spaces

Beginner's Vegie Gardening[^]

- learn a simple method of starting a new vegie garden
- learn the difference between organic gardening and toxic chemical gardening
- learn about the connection between healthy gardens and healthy people
- experiential learning – we actually build a new garden together!

Wicking Beds (self-watering gardens) [^]

- an exciting workshop on building and managing self-watering gardens
- build your own small wicking bed at the workshop & take it home
- learn about available commercial wicking systems

Natural Food Preserving (using the excess)

- a practical workshop learning different methods of preserving food
- Manage food abundance/excesses and enjoy produce out of season
- take home a sample of what you create

Pruning & Propagation **NEW**

- learn pruning techniques
- understand the theory behind a variety of propagation techniques including cuttings, layering, division, budding and grafting
- use this practical workshop to create more new plants in your garden or to share/swap with others

Native Bees (learn about and manage them)

- explore the different types of Native Bees and the vital work they do in pollinating plants in our gardens
- learn how to take care of native bees and how to collect the honey they produce
- observe how to split the hive each year

[^]*workshops will be repeated during the year.*

**new specialty workshop.*

Workshop location

Kimbriki Eco House and Garden, within Kimbriki Resource Recovery Centre
Kimbriki Road, off Mona Vale Road, Ingleside

Access is by vehicle only – as there is no pedestrian access to Kimbriki, please make arrangements to arrive by vehicle. Enter the Kimbriki site via weighbridge A or B. Follow directional signage to the Eco House & Garden Car Park.

Visit the Eco Garden

The Eco Garden is open when Kimbriki is open. You are welcome to visit, but the garden may not be staffed. Please leave the garden by 4.30pm as the Kimbriki site gates are locked at 5pm

Bookings are essential. Please secure a ticket online
