Eco Workshops 2018 - Kimbriki Eco House & Garden

Composting and Worms

- everything you could possibly want to know about how to successfully run a compost bin and a worm farm

Beginner's Vegie Gardening

- learn a foolproof method of starting a new vegie garden
- learn the difference between organic gardening and toxic chemical gardening
- learn about the connection between healthy gardens and healthy people
- experiential learning – we actually build a new garden together!

Maintaining your Vegie Garden

- learn how to 'fine tune' your garden using mulches, manures, dolomite, and rock dusts
- harvesting and pruning
- taking your garden a 'step further'

Wicking Beds (self-watering gardens) ***NEW***

- an exciting workshop on building and managing self-watering gardens
- build your own small wicking bed at the workshop

Natural Food Preserving (using the excess) ***NEW***

- a practical workshop learning different methods of preserving food

Native Bees (learn about and manage them) ***NEW***

- learn how to take care of native bees and how to collect the honey they produce

Workshop location

Kimbriki Eco House and Garden, within Kimbriki Resource Recovery Centre
Kimbriki Road, off Mona Vale Road, Ingleside

Access is by vehicle only – as there is no pedestrian access to Kimbriki, please make arrangements to arrive by vehicle
Enter the Kimbriki site via weighbridge A or B. Follow directional signage to the Eco House & Garden

Visit the Eco Garden

The Eco Garden is open when Kimbriki is open. You are welcome to visit, but the garden may not be staffed
Please leave the garden by 4.30pm as the site gates are locked at 5pm

**new specialty workshops with guest speakers*
